19 After the initial Settlement Conference was held before Magistrate Judge Edward M.  
20 Chen in this matter on September 1, 2005, a second Settlement Conference has been twice  
21 continued to allow for the filing of the Trial Court's order on the parties' Cross-Motions for  
22 Summary Judgment (heard by the Court on October 4, 2005). Currently, the second  
Settlement Conference is set to be held on June 1, 2006.

23 As no order has yet been received on such motions, and there has been no change of  
24 status since the Court held the initial Settlement Conference in this matter, the parties request  
25 another 90-day continuance of the second Settlement Conference to await a decision on their  
26 Cross-Motions for Summary Judgment.
